Dear Immediate Past President,

On behalf of the Toastmasters International Board of Directors, sincerest congratulations are extended to your club for achieving the **Distinguished Club** designation for the 2016-2017 program year. Distinguished clubs provide a supportive and positive learning environment that guides members to success. This superior member experience, in turn, helps each club to achieve more.

Your club members worked together to meet and exceed the objectives of the Distinguished Club Program. Every member of your club should be proud for truly exemplifying the Toastmasters International mission this past year. Enclosed is the Distinguished Club ribbon for you to display with pride on your club banner.

Help ensure your continued success by sharing your club's best practices with your newly elected officers. Encourage them to attend district-sponsored officer training, to provide orientation and mentorship assignments for new members and to participate in membership-building programs.

Congratulations again on your outstanding achievement. We applaud your commitment to excellence and wish your club continued success.

Mike Storkey, DTM
International President
